BINGHAMTON UNIVERSITY

PROJECT SUNLIGHT REPORTING FORM

New legislation effective January 1, 2013 (enacted as part of omnibus ethics legislation Ch. 399, Part A, §4, L. 2011) establishes a database, "Project Sunlight," which makes available to the public, data concerning individuals and firms who appear before State entities with respect to five categories of matters: (1) procurement of goods and services, (2) rate-making, (3) regulatory matters, (4) judicial or quasi-judicial proceedings, or (5) rule-making per the State Administrative Procedures Act. Given the nature of SUNY activities, we are most likely to be impacted in the area of procurement. We are required to report appearances by individuals and firms who appear before SUNY Decision Makers or person who advise Decision-Makers (known as Advisors) having to do with procurements \$25,000 and over. Binghamton University Purchasing Department staff will be handling the entry of these appearance reports at the campus level. Each time you have a qualified appearance related to a specific procurement, (multiple appearances related to one procurement are reported separately), fill out the following form and fax to Purchasing at 777-2338 or e-mail to Purchasing at calex@binghamton.edu within three days of the communication/appearance.
